SUMMARY

The friendly and motivated individual looking to transition from serving tables to more career-focused customer service positions. With a strong skill in developing customer relations and satisfaction, and an eagerness to learn and grow at a rapid speed. I am young but a well regarded "team-player" and a willingness to go above to ensure all guests' needs are met and in many cases exceeded. I AM READY TO HELP YOU HELP ME!

WORK EXPERIENCE

ZIPS CARWASH
SAN ANTONIO TX
11/2024 - 03/2025

- Work together with the team to ensure all customer needs are met and Zip's carwash standards of service are maintained. I alone was over bathroom duties on my shift.
- Responsible for learning all procedures created by the management team, mastering them and being able to easily show and explain to new hires, some with minimal to no experience in hospitality. I picked up trash from outside and inside areas. Also wash down the vacuums.
- Answer the questions of guests about the location, times, service issues, compliments and/or complaints to ensure total satisfaction for all guests.
