Work experience

Nurse Practitioner - Home Hospice 1/2024 - Present
[Compassus](#)

Assess patient's clinical status and need for hospice and palliative care. Maximize end of life quality and resources for patients and caregivers. Travel to patient's residence and collaborate with skilled nursing facilities, rehab centers, hospitals, assisted living centers, and the entire healthcare team to implement comprehensive care.

Nurse Practitioner - Mobile Health 6/2023 - 1/2024
[DispatchHealth](#)

Employed cutting edge technology and comprehensive clinical skills in traveling to the patient's location for acute care services. Implemented complex case management and primary care skills while filling care gaps after hospital discharge through referrals and prescriptions to access vital resources including specialists, home health, wound care, palliative care, medication assistance, physical & occupational therapy, food provision and transportation resources.

Nurse Practitioner 4/2021 - 6/2022
[Self Employed](#)

Coordinated and managed entirety of presurgical and post neurosurgical care services, appointments, therapies and functional recovery including academic accommodations, activity adjustments and restoration of presurgical activity and executive function.

Nurse Practitioner - Mastectomy Care 9/2019 - 4/2021
[Muse Intimates, LLC](#)

Obtained certification in post mastectomy DME prosthesis and supplies related to breast cancer and lymphedema. Worked extensively with regional area physicians to assist with post reconstruction, breast pain, musculoskeletal problems and breastfeeding issues. Completed all front and back office work related to insurance, billing, obtaining required paperwork from clinicians.

Nurse Practitioner - Internal Medicine 10/2015 - 5/2017
[Cedar Ridge Internal Medicine - Utica Park Clinic](#)

Provided primary care to clients with complex health care needs; practiced in an outpatient office with three outpatient and admitting internal medicine physicians. Collaborated with hospitals, assisted living centers, home health companies, palliative care providers, hospice centers and specialists to provide the most efficient care for patients. Created continuity of care by coordinating high quality treatment of patients, their families and their support systems.

Nurse Practitioner, Healthy House Calls 5/2015 - 10/2016
[EXAMINATION MANAGEMENT SERVICES](#)

Performed self scheduled wellness exams for Blue Cross Blue Shield of Oklahoma Medicare Advantage plan members in their homes. Recommended complete plans of care based on exam findings and assessment of home environment and social determinants of health.

Adjunct Professor - Advanced Pharmacology 6/2015 - 8/2015
[Oral Roberts University - online RN to BSN program](#)

Taught a virtual advanced pharmacy summer course for an RN to BSN program.
